

# COMMUNITY DIRECTOR UPDATE OCTOBER 1, 2025

## **COMMUNITY NEWS**

### **Upcoming Property Projects**

In the fourth quarter, we'll be enhancing our community spaces with several projects, including tree removal and trimming, mulching the playground, and refreshing the sand volleyball court.

### **Fire Prevention Week**

Saturday, October 4th to Saturday, October 11th.

On Saturday, October 4th, there will be a parade through Magnolia/State housing from 9:00 AM to 9:30 AM. The Fire Prevention Week Open House will take place from 9:30 AM to 11:00 AM.

## **MAINTENANCE TIPS**

### **Tips to Reduce Surface Microbial Growth**

Our region's climate makes it easy for microbial growth to spread quickly. To keep it under control, regular cleaning is key! Be sure to:

- Dust frequently (don't forget ceiling fans!).
- Sanitize showers, bathtubs, windows, and A/C vents using a bleach solution or spray.

If you notice significant microbial growth while cleaning, please submit a work order so our maintenance team can address the issue promptly.
