

# COMMUNITY DIRECTOR UPDATE FEBRUARY 1, 2026

## COMMUNITY NEWS

**As part of our seasonal grounds maintenance plan, please be advised that mowing and lawn care services will shift to a restricted winter schedule continuing through the end of the winter season.** During this period, mowing will occur only as needed based on weather conditions, grass growth, and safety considerations. Colder temperatures typically slow or halt grass growth, allowing us to reduce frequency while still maintaining the appearance and health of the grounds.

### Super Bowl Sunday is coming up on February 8, 2026, and the excitement is real!

Whether you're hosting a watch party, grabbing snacks, or just here for the commercials, get ready for a night of football, music, and fun! Get involved in our Super Bowl Prediction Challenge!

## MAINTENANCE TIPS

To help protect your home and avoid potential issues, please take the following precautions:

- **Keep your heat on:** Maintain a temperature of at least 65°F, even if you are away.
- **Open cabinet doors:** Allow warm air to circulate around pipes under sinks.
- **Drip faucets:** Let cold water drip from faucets to prevent pipes from freezing.
- **Close windows and doors:** Ensure all openings are sealed to keep heat inside.
- **Report issues promptly:** If you notice any leaks or problems, contact the office immediately.
