# COLUMBUS INSIGHTS NEWS & STORIES

Happy Holidays!

## Our President's Message

In just a few short weeks, we'll be celebrating the beginning of a new year. I think many of us are breathing a sigh of relief to welcome in 2021. During this holiday season and throughout the year, we appreciate the service and sacrifice you and your families make. With deployments or long training missions, our Service

Members miss out on many special occasions during the holiday season. Our communities are doing special service projects this holiday season to show our gratitude for our military families and all you do day-in and day-out. Donation drop-off stations have been established at 26 HMC communities across the nation to collect presents and toys for children in need as part of the U.S. Marine Corps Reserve Toys for Tots program. We are also encouraging employees and residents to participate in Wreaths Across America to support their wreath-laying efforts at military cemeteries across the country. On behalf of everyone here at Hunt Military Communities, I want to take this time to wish you all a very safe and happy Holiday Season and a healthy and happy 2021.

Best,

John Ehle  
President  
Hunt Military Communities

## Holiday Decorations Reminder

- Holiday decorations and outside lighting are prohibited from being placed higher than the edge of the gutter on the first floor roofline.
- The use of staples, nails, screws, or other mechanical fasteners to attach decorations or lighting to the homes and associated structures is prohibited.
- Plastic clip-on hooks may be commercially obtained and used to attach decorative lighting, garlands, etc. Attachment of anything to vinyl siding is prohibited.
- Holiday lighting and decorations may not be erected before Thanksgiving and must be removed no later than January 10th.
- Outside lighting must be Underwriters Laboratories (UL) approved and factory listed for outside use. Running electric cords through windows and doors or across heating ducts or vent systems is prohibited, as this causes a fire safety hazard.
- All exterior lighting must be "GFI" protected. Residents are reminded that homes have limited amp circuits, and care must be taken to prevent overloading.
- Outside decorative lights are to be turned off no later than midnight, except on Christmas Eve and New Year's Eve, when they are allowed to remain on overnight.
- Outside lights are not authorized during daylight hours. Additionally, electrical decorations must be unplugged when residents are away from the home.
- Resident accepts any and all liability for damages to premises or injuries caused by holiday or decorative lighting and other decorations.
- Holiday lighting and decorations are subject to management's discretion.
- Holiday decorations and outside lighting must be installed in accordance with manufacturer instructions and must be plugged into a GFCI outlet.
