

# HAPPY NEW YEAR!

## Our President's Message

Happy New Year! I hope the start of this year finds you and your loved ones healthy and happy. I wanted to take this time to thank all of you who participated in the collection of toys for the U.S. Marine Corps Reserve Toys for Tots program. Twenty-six of our

communities across the U.S. participated and collected thousands of toys for this program that brings holiday joy to more than seven million disadvantaged children each season. Hunt is proud to support this holiday tradition, and we're grateful for your generosity. As we enter the new year, we are partnering with the American Red Cross to help address the critically low blood supply levels. If you are healthy, we encourage you to consider donating blood. For those who have recovered from Coronavirus, donating your plasma can help up to 4 coronavirus patients in need. For other ways you can help, go to [www.redcross.org](http://www.redcross.org). Watch for information on mobile blood donation locations in January and February within our communities.

Best,

John Ehle  
President  
Hunt Military Communities

## Happy Retirement

Wishing a blissful retirement to Mrs. Paula Wilkes. We thank you for a magnificent 13 years with Hunt Military Communities. May this next chapter of life bring you endless time to do the things you love. You more than deserve it. Your kindheartedness and cheerful demeanor will be missed!

## Freeze Warning Tips

It's that time of the year again so please see the following, we are asking that residents follow these tips to aid in the prevention of busted water pipes: 1. Open cabinets so that the warm air can reach pipes along exterior walls that are often exposed to the most extreme temperatures. 2. Remove all hoses from hose bibs. 3. Turn on faucets so that they drip. Dripping faucets can help prevent pipes from freezing up. 4. Keep heat on at least 60 even when not in home to maintain temperatures in house. Stay Warm!!
