# COLUMBUS INSIGHTS NEWS & STORIES

September 11th is National Patriot Day!

## Our CEO's Message

As PCS season begins to wind down, I am reminded of the feelings that go along with moving to a new duty station, adjusting to new neighbors, taking on a new role, and trying to find a sense of connection and community. The unique challenges and sacrifices of military families inspires us to continually improve our service delivery at Hunt Military Communities.

During September we will have several community-wide focuses. The first is Suicide

Prevention Month. This month we will be hosting several speakers and sharing important educational materials on this most important topic. On average, 22 active or retired service members take their own lives each day, and unfortunately I know this pain too well having lost several of my Marines to suicide. We can help those in need by learning the warning signs and the appropriate resources available to help service members in need. Please look at the schedule of events you can attend and help us make mental health a priority for our military families.

The other notable event is the anniversary of 9/11. In memory of those who lost their lives and those whose lives are forever changed, we will be hosting Never Forget Walks in each of our communities. Additionally, we will have an opportunity for children to write a 100-word essay on "What It Means To Be A Patriot," to help them grasp the selfless commitment of their family service member. More information to follow on both of these important events. We look forward to your participation.

Thank you for allowing us the opportunity to serve you.

Brian Stann

CEO

Hunt Military Communities

## Friendly COVID Reminder

Our leasing and maintenance office is open by appointment only, the front doors will be locked and the doorbell will be put outside again. No changes will be made to the in-person options for move-ins or move-outs but we will ask that only one other person be in the home when we walk it. All resident events will be drive through/pick up or virtual, no in-person meetings at this time. While work orders are being performed, we are asking our residents to:

- Be outside of their home
- Isolate in another room/area with no contact with tech/area where work is performed
- Wear a mask and maintain appropriate social distancing

We also ask that you be patient with our maintenance staff on making repairs. They are experiencing delays with getting parts in from certain suppliers due to nationwide supply shortages. Please feel free to reach out with any questions or concerns you may have. As our COVID prevention procedures change and/or are updated we will let you know. We appreciate your patience and understanding during this ever-changing time.
