# COLUMBUS INSIGHTS NEWS & STORIES

## Happy Father's Day!

### Our CEO's Message

Dear HMC Residents,

This month we officially welcome summer, celebrate graduations, observe Father's Day, and prepare for PCS season.

Congratulations to all of our graduates. Whether you are graduating college or kindergarten, taking the next step in your educational career, and in life, is important and

should be celebrated!

We want to ease the burden and stress that often comes with moving, and one way we can do this is to ensure we are providing clear communication, answering questions, and walking you through the process. You are encouraged to reach out to your Resident Service Specialist once you have received orders so they can guide you through every step.

On behalf of Hunt Military Communities, I wish all of our fathers and father figures, a Happy Father's Day. Whether you are serving far away or close to home – or supporting a spouse who is active duty – your commitment to your country and families is admirable. We look forward to honoring you this month.

Semper Fidelis,  
Brian Stann

Hunt Military Communities  
President & Chief Executive Officer

## Friendly Reminders

### LANDSCAPING

Residents with fenced in backyards will be responsible for turf mowing, trimming, and clipping removal to Columbus Family Housing specifications of all fenced back yards. Shrubs within the fenced area must be trimmed to the proper height so as not to block windows and must be neat in appearance.

### POOLS

Personally owned pools are limited to small wading pools, not to exceed 18 inches in depth and 8 feet in diameter. Residents will ensure that an adult closely supervises children utilizing the pools and empties when not in use. For health and safety reasons, it is recommended that chlorine tablets be added to the water in pools. For safety, pools must be emptied and properly stored immediately after use and may not remain filled overnight.

### BIRD FEEDER, BIRD HOUSES, BIRD BATHS

Not allowed in housing to reduce the attractiveness of the base environment to our winged friends and help ensure the safety of our aircraft and Airmen.
